Updates from Catholic Social Services of the Miami Valley (CSSMV)

## Erin Meyer Promoted to Northern Counties Director

We are excited to announce Erin Meyer as CSSMV's new Northern Counties Director. She plays a crucial role in Northern Counties programming and reporting, ensuring we continue to offer the highest quality services for our clients. Erin's promotion follows the achievement of the voluntary review process and 3-year accreditation from the National Committee for Quality Assurance (NCQA) for Case Management for Long-term Services and Supports (LTSS) attained for CSSMV's PASSPORT program.

Erin brings a dynamic background in social work – experiences with intellectually and developmentally disabled individuals, working with children in therapeutic foster care, and spending a large part of her career helping individuals and families through Hospice. She is a proud graduate of Versailles High

School; Ball State University, where she received her Bachelor of Social Work (BSW); and The Ohio State University, where she received her Master of Social Work (MSW). Erin also obtained an Executive Certification in Nonprofit Management through CCUSA and University of San Diego School of Leadership and Education Sciences during her time with CSSMV. Personally, Erin enjoys spending time with her family and friends, attending her children's sporting events, traveling, kayaking, and reading a good book.

## Shining Christ's Light to Those in Darkness

Rebecca and Tyler were struggling to have hope. They were both injured in separate car accidents and lost both of their vehicles. They found themselves unable to work for a few weeks. Rebecca was able to keep her position, but Tyler lost his job. With the lost income, they found themselves facing eviction. On top of all of this, Rebecca lost her father. They were struggling to see the light at the end of the tunnel.

Rebecca reached out to their local conference, St. Brigid. On a home visit, the Vincintians listened to their hardships and spoke with the landlord. They learned that Rebecca had maintained her job for several years, and the couple were model tenants. The Vincintians saw two people who had endured unexpected hardship. They had fallen on hard times, and simply needed a helping hand to get back on their feet.

With the help of the St. Brigid Conference, Rebecca and Tyler were able to stop the eviction and cover their back due rent. Rebecca and Tyler had hope again knowing that they were seen, heard, and cared for. The Vincintians shined Christ's light into their darkness, letting them know they were not alone.

Are you interested in the opportunity to grow in spirituality and friendship through service to your neighbors in need? Contact Nick Cardilino, the Director of Neighborhood Ministries, to learn more about the work of our Conferences at 937.222.5555, ext. 124.
