Lent offers us all a very special opportunity to grow in our relationship with God and to deepen our commitment to a way of life, rooted in our baptism.

In our busy world, Lent provides us with an opportunity to reflect upon our patterns, to pray more deeply, experience sorrow for what we've done and failed to do, and to be generous to those in need.

*Message from the United States Catholic
Conference of Bishops*

During lent, we are asked to devote ourselves to seeking the Lord in prayer and reading scripture, to service by giving alms, and to sacrifice self-control through fasting. Many know of the tradition of abstaining from meat on Fridays during lent, but we are also called to practice self-discipline and fast in other ways throughout the season. Contemplate the meaning and origins of the Lenten fasting tradition. In addition, the giving of alms is one way to share god's gifts—not only through the distribution of money, but through the sharing of our time and talents. As St. John Chrysostom reminds us: "not to enable the poor to share in our goods is to steal from them and deprive them of life. The goods we possess are not ours, but theirs." (Catechism of the Catholic Church, no. 2446).
